Although we've implemented maximum level security measures to protect against unauthorized access to the KidsVision system, you as parents and guardians have the responsibility of protecting your Usernames and Passwords. Remember, your KidsVision Usernames and Passwords provide unique identifiers that enable our system to identify authorized users. Therefore, your login information is the first line of defense against unauthorized access. As concerned parents and users of the KidsVision system, it is your responsibility to maintain exclusive control and use of your Username and Password and protect it from inadvertent disclosure to others. **YOU SHOULD NEVER GIVE YOUR PASSWORD TO ANYONE.**

Usernames should be between 4 and 8 characters, all letters should be lowercase, and logins must be unique; although your username can use any combination of letters, numbers, and special characters, do not include spaces in your username. For example, the following are examples of adequate usernames: 'jpayne', 'ywqo875', 'e_rbert'.

Strong passwords can prevent someone from assuming your identity and accessing information. **Passwords should be between 6 and 8 eight characters** with a combination of uppercase, lowercase, numeric and special characters. Below are some guidelines for creating a secure password:

- Don't choose a password associated with you in any way (middle initial, maiden name, pet's name, child's name, etc.)
- Don't choose words that can be found in any dictionary, whether English or any language.
- Don't reverse the spelling of a dictionary word
- Use an acronym from an easy to remember phrase ('!A stitch in time saves nine!' can translate to !ASITS9!)
- Make your Passwords 8 characters long.
- Use a mixture of letters, numbers and special characters. Example: *JaFe90+

Once you have read and understand the guidelines/responsibilities, please sign and return the completed form to Stepping Stones Childcare.

I am a legal guardian of a child enrolled at Stepping Stones Childcare. I have read the above information, and understand that cameras have been installed at Stepping Stones Childcare for the purpose of streaming enrolled children over the Internet for parents and other authorized users to access. I will not share or disclose my password with anyone. I understand that I can submit up to two Usernames and Passwords. \$5.00 per week gives the primary payers on the account (limit of two) access to the camera system. Your daycare account plus the weekly camera fee must be paid in advance in order to view the cameras.

I am requesting the following Usernames and Passwords be granted access to the KidsVision system:
